Urgent Care

[Save My Spot](#)

For urgent care, we're the only stop you need to make.

With wide-ranging services, including advanced laboratories and diagnostic imaging technology at certain locations, there's no need to go from place to place to complete your care. Our board-certified physicians, nurse practitioners and specially-trained support team staff our facilities. And if you need a higher level of care, immediate transport is available.

You don't need to make an appointment and you can even [save your spot in line](#). Hours vary by location.

Experiencing a life-threatening illness or injury? Call 911 or [head to the nearest emergency room](#) immediately.
