

Online Check-in

Skip the waiting room at the Urgent Care with quick and convenient online check-in. Simply select an available location and time that works best for you and do your waiting from the comfort of home. Once you arrive at your selected time, you should be seen promptly by a medical professional.

Have questions? See our [Online Check-in FAQs](#).

If your condition is life threatening, do NOT use Online Check-in. Call 911 or go immediately to the nearest emergency department.
